Effective December 2014

ELECTRICITY SERVICE
CONTRACT FOR NON-RESIDENTIAL SERVICE

This is a contract between the undersigned (hereinafter “Customer”) and Prairieland Energy, Inc. (hereinafter “the Company”) to furnish electricity to the Customer at the below service address until terminated as provided herein. The initial term of this contract shall be one year. This contract shall continue to be in effect until 90 days prior written notice is provided by one party to the other.

Customer requests the Company to connect its electricity on the side of the building and to provide a meter for purpose of measuring the electricity and connection to the Customer’s inside wiring. Customer shall take all of its electrical requirements from the Company and will not resell or redistribute the power provided by the Company. Customer agrees to be bound by the Company’s Terms and Conditions of Service and the rate for service received. The customer’s peak electrical demand is estimated to be _____ kw. The Customer agrees to contact the Company if its connected load is expected to increase.

This contract will be binding upon and inure to the benefit of the successors, legal representatives and assigns of the Customer and Company.
